

```
graph RL; main --> xtd::Application::execute
```

xtd::Application::execute

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is shaded gray and contains the text 'xtd::Application::execute'. The box on the right is white and contains the text 'main'. A blue arrow points from the 'main' box to the 'xtd::Application::execute' box, indicating a call or flow from main to the application's execute method.
