

xtd::network::http
::cpptempl::make_data

```
graph LR; A["xtd::network::http<br/>::cpptempl::make_data"] --> B["xtd::network::http<br/>::cpptempl::make_data"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the text 'xtd::network::http' on the first line and '::cpptempl::make_data' on the second line. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the same text: 'xtd::network::http' on the first line and '::cpptempl::make_data' on the second line.
